## 2017 Summer Flex Plan

---

*The Summer Flex Plan gives you full flexibility to schedule your lessons according to your summer plans. The Flex Plan is available for private in-school lessons in July and August 2017. Decide how many lessons you want to take, and book your package accordingly.*

*Keeping a consistent lesson schedule for your child is crucial throughout the year. Make use of the time and let them create something fun while they are off school. **Music reading and practical skills decline drastically after long absence from routine and proper training.***

### **Benefits of the Flex Plan:**

- *With the **Summer Flex Plan** it is not required to come to your lesson the same day and time every week like the routine from September to June*

- *Receive priority booking for the new 2017-18 school year's schedule starting in September*
- *Take advantage of the flexibility, try new instruments of your choice*
- *Multiple instruments in the same Plan is an option only when taught by the same teacher*
